

## FUNCTIONAL SAFETY CERTIFICATE

This is to certify that the Functional Safety Capability of

**Cetix Ltd**  
**Unit 2 Phoenix Riverside,**  
**Sheffield Road**  
**Rotherham**  
**S60 1FL**

has been assessed by CSA Group Testing UK Ltd  
 and found to comply with

### ***IEC 61508 Part 1:2010 (Clause 6)*** ***Management of Functional Safety***

When assessed using the

#### **The CASS guide to Functional Safety Capability Assessment**

*The certified scope is as a safety-related systems integrator for the provision of electrical/electronic and programmable electronic safety-related systems within Phase 10 – realisation of hardware and software and associated competencies, up to and including SIL3, for use in the oil, gas, power generation, chemical, petrochemical and process industries. Details of the lifecycle phases and technology platforms are specified in the attached schedule.*

Approved by:

A handwritten signature in black ink, appearing to read 'R. Simmons'.

Richard Simmons  
 Functional Safety Manager

## SCHEDULE

### Applicable Lifecycle Phases

Certification of the management of functional safety is for:

- Realisation of Electrical/Electronic/Programmable Electronic (E/E/PE) hardware in accordance with IEC 61508-2:2010.
- Realisation of limited variability language (LVL) software on the platforms specified below in accordance with IEC 61511-1:2003 clause 12.

### Technology Platforms

- Logic solvers independently assessed against IEC 61508:2010 for SIL1 & SIL2 (excluding prior in use).
- Logic solvers 3rd party certified to IEC 61508:2010 or equivalent for SIL1, SIL2 or SIL 3 when used within the constraints of their safety manuals.
- Development and application programming tools associated with the certified logic solver.

### General Information and Conditions of Certification

1. Where applicable, refer to CSA Group Testing UK Ltd FORM7021 Information Sheet Accompanying CASS FSM Certificate: Cross reference between IEC 61508-1 and IEC 61511-1 for management of functional safety in the process industry.
2. This certificate is based on CSA Group Testing UK Ltd confidential assessment Report R56S30516B, R70112573B, R80035115A and all other reports relevant to this report number.
3. Revisions to procedures that could have a significant impact on safety (e.g., coding standards) shall be reviewed by CSA Group Testing UK Ltd before their application.
4. The certified company shall maintain its management of functional safety and associated procedures to the required standards which will be monitored and re-assessed by CSA.
5. If the management of functional safety and associated procedures are found not to comply, CSA Group Testing UK Ltd should be notified immediately at the address shown on this certificate.
6. The use of this Certificate and the CSA Certification Mark are subject to the 'Regulations Applicable to the Holders of CSA Group Testing UK Ltd Certificates' and the 'Supplementary Regulations Specific to Functional Safety Certification'.
7. This document remains the property of CSA Group Testing UK Ltd and shall be returned at the request of the issuer.
